

## **Rosie**

*31 March 2019*

Rosie works  
so hard  
to please the factory man.

It is a matter of time.

She has been on hands and knees  
since seventeen,

And does not know  
what moves her so,

To longing, maybe, for something.

Meanwhile  
somewhere blossoms,

but she cannot go,  
for it is a matter of time,

though she does know  
the way things grow.
