

After Reagan

03 April 2022

We have been pre-sliced
individually, wrapped in money.

But oh, he was funny, well-spoken, and phony.
A pity so few will remember
the lens of that time,
or look through it to see
what might be.

I have heard so much talk about liberty,
so little wondering,
"what does that mean?"
that I wonder,
is Freedom for me?

And does Freedom need me?
